MEMORANDUM FOR: Director, Office of Legislative Liaison

FROM:

**Chief, Liaison Division
Office of Legislative Liaison**

25X1

**SUBJECT: DCI Interest in a Log of Anticipated
Activities**

1. We think you should raise with the DDO the sense of our discussion on 9 May with the Director concerning a log of anticipated activities.

25X1 2. The Director seemed to be most interested in having immediately available somewhere a listing of contemplated

 This could be referred to at a moment's notice to decide which of these anticipated activities we should be telling Congress about. Although the Director thought that such a listing might be in the Office of Legislative Liaison, he agrees with our suggestion that the listing should remain within the DO, but be accessible to a select few in OLL to permit us to offer opinions on what items might require Congressional attention in advance.

3. Although not discussed with the Director, our recent experience makes clear a variety of items that should be considered for advance Congressional attention, among these, there would certainly be:
